

Associate Professor Jerzy Gorecki
Department of Coal Chemistry and Environmental Sciences
Faculty of Energy and Fuels
AGH University of Science and Technology
Al. Mickiewicza 30,
30-059 Krakow, Poland

date: 7th of May 2020

authority: Ing. Karel Borovec, Ph. D., 597 323 868, karel.borovec@vsb.cz

Dear prof. Gorecki,

In connection with many years of fruitful cooperation, between the VSB - Technical University of Ostrava, Energy Research Center (Czechia) and the Department of Coal Chemistry and Environmental Sciences (AGH, Poland), we are willing to cooperate in industrial tests of systems constructed at AGH and joint preparation of publications.

Best regards,

doc. Dr. Ing. Tadeas Ochodek
director VEC
